Letter of Intent

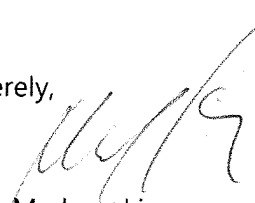

To Whom It May Concern:

Dear Sir/Madam,

Our company expresses interest in the idea of the Film Spring Open Foundation regarding "Selfie TV" and production "Self-portrait" of large events or sociological documentary films or any other forms of group narrations with the help of Cinebus and our application.

The idea of a mobile application for sending to Cinebus the materials filmed during large events by their participants and showing them on large screens or stream to dedicated websites is very interesting.

Sincerely,

Jacek Markowski
President of WISEE
