

Warsaw, 20th March 2018

To whom it concerns

Letter of intent

This is a Letter of Intent that expresses our interest in the cooperation with Film Spring Open Foundation. We have been delivering film equipment for Film Spring Workshop to enable young filmmakers to test and use the newest technology.

We would like to continue our cooperation and partnership in the following years. The cooperation would be based on delivering the newest solutions of EIZO company.

Kind regards,

Karolina Trojanowska
Marketing Manager
