Acting on behalf of HP Inc Polska sp. z o.o., we would like to express our interest in cooperation with Film Spring Open Foundation as a technological partner of Film Spring Open Workshops and Cinebus.

HP has been successfully cooperating with the Film Spring Open Foundation who, to our knowledge, has been delivering the innovative and interdisciplinary professional training to emerging filmmakers. We believe that together we may create a unique meeting point for audio-visual artists and may shape the future of the industry.

Yours sincerely,

Marcin Olszewski
