

Warsaw, August 9, 2021

Letter of intent

Film Spring Workshop is an interdisciplinary training not only for the entire audiovisual industry, but also for anyone interested in new technologies and IT specialists.

Sony Professional Europe provides the most modern cinematic equipment ranging from cameras to monitors and audio equipment. We believe that the future of the film lies in the development of this technology. We hereby declare interest in cooperation with the Film Spring Open Foundation and workshops organized by them.

Yours sincerely,

Aleksander Bednarczyk

The Letter of Intent

The Film Spring Interdisciplinary Workshop gathers the international community of filmmakers every year. Our company supports the workshops by delivering movie equipment. We are glad that this important branch of the film industry is represented at the Film Spring Workshops and that young people can work with the best hardware and software from Blackmagic Design.

We declare further willingness to cooperate.

Yours sincerely,

Cyfrowa Republika
Ewa Kozłowska
